MEMORANDUM FOR THE FILE

SUBJECT: ()

1. On 1 October 1952 () asked what the current CIA attitude is toward SIS going ahead with the dropping of items into Albania around the middle of October 1952.

2. After checking with () I advised () as follows on 2 October 1952:

(a) Our current feeling is the same as that expressed through our () office on 30 August 1952.

(b) That we consider such a drop as premature but that if SIS feel they can wisely, profitably, and securely effect the drop then CIA would withdraw its suggestion that SIS follow the CIA reasoning.

(c) That we would expect SIS to execute the drop in a fashion that would preclude attribution to the U.S.

(d) That the date of the drop be coordinated with our field representatives.
